What Happens in case of missed Premiums under Regular and Limited Premium payment options?

Should you miss paying your Premium on the due date, you get a chance to pay them within the grace period while staying fully covered. A grace period of 15 days from the due date of the first unpaid premium is available for Monthly mode and 30 days for all other modes.

What happens once your policy Lapses?

- Depending on the premium payment term, the following lapse condition will apply:

Premium Payment Term	Lapse Condition
Regular Pay	If the due premiums are not paid within the grace period, policy will lapse.
Limited Pay	If the due premiums are not paid for the first full year within the grace period, then the policy will lapse.
Single Pay	Policy will never Lapse.

Once the policy lapses, the cover will cease immediately.

- For both Regular Pay and Limited Pay, the policy will terminate on expiry of revival period or death of the Life Assured whichever is earlier.

Can you restore your Lapsed policy to the original benefit levels?

You can revive your Lapsed policy within five years from the due date of the first unpaid premium by following these simple steps:

- Giving a written request to the Company within 5 years from the due date of first unpaid premium and producing a proof of continued insurability
- Paying the outstanding premium amount with the applicable interest rate, currently 8.75% p.a. compounded on half yearly basis for FY 24-25
- Fulfilling all medical and financial requirements as required by the Company as per the Board approved underwriting policy (the cost of medical examination, if any, will be borne by you i.e. policyholder/ Life Assured).

The prevailing interest rate is calculated as equal to 10 year G-sec benchmark interest rate as on last working day of the previous financial year +1.50%, rounded up to the next multiple of 25 basis points and will be compounded on half yearly basis. The 10 year G-Sec rate on 31st March 2024 was 7.05% and the rate of interest for revival for FY 24-25 is 8.75% (7.05% + 1.5% + rounding to next multiple of 25 basis points) and will be compounded on half yearly basis. Any change in basis shall be with prior approval of the Authority. The Company will review the revival interest rate on every 1st of April.

The Company reserves the right to accept or reject the revival of Lapsed Policy as per the Board approved Underwriting Policy. Once the policy is revived, all the benefits will be restored to original benefits level, any due and unpaid benefit shall be paid immediately.
